

Bullying in the School Learning Environment

(Revised March 2015)

Mission

The mission of the Connecticut Technical High School System is to provide a unique and rigorous high school learning environment that:

- ensures both student academic success, and trade/technology mastery and instills a zest for lifelong learning;
- prepares students for post-secondary education, including apprenticeships, and immediate productive employment; and
- responds to employers' and industries' current and emerging and changing global workforce needs and expectations through business/school partnerships.

Pertinent Law and Information

Policy

In order for teaching and learning to occur there must be a positive climate in which students are appreciative and accepting of individual differences and behave responsibly toward others. Therefore it is the policy of the State Board of Education that any form of bullying behavior on school property or at school- sponsored events, is expressly forbidden.

As provided by statute, the Connecticut Technical High School System shall:

- 1) Enable students to anonymously report acts of bullying to teachers and school administrators;
- 2) **Inform parents and students of at the beginning of each school year of the process by which students may make such reports;**
- 3) Enable the parents or guardians of students to file written reports of suspected bullying;
- 4) Require teachers and other school staff who witness acts of bullying or receive student reports of bullying to notify school administrators in writing;

- 5) Require school administrators to investigate any written report filed and to review any anonymous reports, except that no disciplinary action shall be taken solely on the basis of an anonymous report;
- 6) **Provide prompt notice to the parents or guardians of the student alleged to have committed an act or acts of bullying and the parents or guardians of the student against whom such alleged act or acts were directed that such investigation has commenced;**
- 7) Provide for the inclusion of language in student codes of conduct concerning bullying;
- 8) Require school administrators to notify both the parents or guardians of students who commit any verified acts of bullying and the parents or guardians of students against whom such acts were directed, and invite them to attend at least one meeting;
- 9) **Require each school to invite the parents or guardians of a student who commits any verified act of bullying to a meeting, separate and distinct from the meeting required in subdivision(8) of this subsection, to discuss specific interventions undertaken by the school to prevent further acts of bullying;**
- 10) **Provide prevention and intervention strategies for school staff to deal with bullying including teen dating violence.**
- 11) Require each school within the district to maintain a list of the number of verified acts of bullying in such school and make such list available for public inspection and; report such number to the Department of Education annually and in such manner as prescribed by the Commissioner of Education; and
- 12) Identify the appropriate school personnel, which may include, but shall not be limited to, pupil services personnel, responsible for taking a bullying report and investigating the complaint.

The notification required pursuant to subdivision (7) shall include a description of the response of school staff to such acts and any consequences that may result from the commission of further acts of bullying. Any information provided under this policy shall be provided in accordance with the confidentiality restrictions imposed under the Family Educational Rights Privacy Act (FERPA) and the district's Education Records policy and regulations.

For purposes of this section, "bullying" means any overt acts by a student or a group of students directed against another student with the intent to ridicule, harass, humiliate or intimidate the other student while on school grounds, at a school-sponsored activity or on a school bus, which acts are **committed more than once against any student during the school year**. Such policies may include provisions addressing bullying outside of the school setting if it has a direct and negative impact on a student's academic performance or safety in school.

Students who engage in bullying behavior shall be subject to school discipline up to and including expulsion.

Designation of Authority

The Superintendent of the Connecticut Technical High School System is authorized to develop procedures regarding this policy, including a process to ensure that appropriate staff have been informed.

Sec. 10-222d. Safe school climate plans. Definitions. School climate assessments. (a) As used in this section, sections 10-222g to 10-222i, inclusive, and section 10-222k:

(1) "Bullying" means (A) the repeated use by one or more students of a written, oral or electronic communication, such as cyberbullying, directed at or referring to another student attending school in the same school district, or (B) a physical act or gesture by one or more students repeatedly directed at another student attending school in the same school district, that: (i) Causes physical or emotional harm to such student or damage to such student's property, (ii) places such student in reasonable fear of harm to himself or herself, or of damage to his or her property, (iii) creates a hostile environment at school for such student, (iv) infringes on the rights of such student at school, or (v) substantially disrupts the education process or the orderly operation of a school. "Bullying" shall include, but not be limited to, a written, oral or electronic communication or physical act or gesture based on any actual or perceived differentiating characteristic, such as race, color, religion, ancestry, national origin, gender, sexual orientation, gender identity or expression, socioeconomic status, academic status, physical appearance, or mental, physical, developmental or sensory disability, or by association with an individual or group who has or is perceived to have one or more of such characteristics;

(2) "Cyberbullying" means any act of bullying through the use of the Internet, interactive and digital technologies, cellular mobile telephone or other mobile electronic devices or any electronic communications;

(3) “Teen dating violence” means any act of physical, emotional or sexual abuse, including stalking, harassing and threatening, that occurs between two students who are currently in or who have recently been in a dating relationship;

(4) “Mobile electronic device” means any hand-held or other portable electronic equipment capable of providing data communication between two or more individuals, including, but not limited to, a text messaging device, a paging device, a personal digital assistant, a laptop computer, equipment that is capable of playing a video game or a digital video disk, or equipment on which digital images are taken or transmitted;

(5) “Electronic communication” means any transfer of signs, signals, writing, images, sounds, data or intelligence of any nature transmitted in whole or in part by a wire, radio, electromagnetic, photoelectronic or photo-optical system;

(6) “Hostile environment” means a situation in which bullying among students is sufficiently severe or pervasive to alter the conditions of the school climate;

(7) “Outside of the school setting” means at a location, activity or program that is not school related, or through the use of an electronic device or a mobile electronic device that is not owned, leased or used by a local or regional board of education;

(8) “School employee” means (A) a teacher, substitute teacher, school administrator, school superintendent, guidance counselor, psychologist, social worker, nurse, physician, school paraprofessional or coach employed by a local or regional board of education or working in a public elementary, middle or high school; or (B) any other individual who, in the performance of his or her duties, has regular contact with students and who provides services to or on behalf of students enrolled in a public elementary, middle or high school, pursuant to a contract with the local or regional board of education; and

(9) “School climate” means the quality and character of school life with a particular focus on the quality of the relationships within the school community between and among students and adults.

(b) Each local and regional board of education shall develop and implement a safe school climate plan to address the existence of bullying and teen dating violence in its schools. Such plan shall: (1) Enable students to anonymously report acts of bullying to school employees and require students and the parents or guardians of students to be notified at the beginning of each school year of the process by which students may make such reports, (2) enable the parents or guardians of students to file written reports of suspected bullying, (3) require school employees who witness acts of bullying or receive reports of bullying to

orally notify the safe school climate specialist, described in section 10-222k, or another school administrator if the safe school climate specialist is unavailable, not later than one school day after such school employee witnesses or receives a report of bullying, and to file a written report not later than two school days after making such oral report, (4) require the safe school climate specialist to investigate or supervise the investigation of all reports of bullying and ensure that such investigation is completed promptly after receipt of any written reports made under this section and that the parents or guardians of the student alleged to have committed an act or acts of bullying and the parents or guardians of the student against whom such alleged act or acts were directed receive prompt notice that such investigation has commenced, (5) require the safe school climate specialist to review any anonymous reports, except that no disciplinary action shall be taken solely on the basis of an anonymous report, (6) include a prevention and intervention strategy, as defined by section 10-222g, for school employees to deal with bullying and teen dating violence, (7) provide for the inclusion of language in student codes of conduct concerning bullying, (8) require each school to notify the parents or guardians of students who commit any verified acts of bullying and the parents or guardians of students against whom such acts were directed not later than forty-eight hours after the completion of the investigation described in subdivision (4) of this subsection, (9) require each school to invite the parents or guardians of a student against whom such act was directed to a meeting to communicate to such parents or guardians the measures being taken by the school to ensure the safety of the student against whom such act was directed and policies and procedures in place to prevent further acts of bullying, (10) require each school to invite the parents or guardians of a student who commits any verified act of bullying to a meeting, separate and distinct from the meeting required in subdivision (9) of this subsection, to discuss specific interventions undertaken by the school to prevent further acts of bullying, (11) establish a procedure for each school to document and maintain records relating to reports and investigations of bullying in such school and to maintain a list of the number of verified acts of bullying in such school and make such list available for public inspection, and annually report such number to the Department of Education, and in such manner as prescribed by the Commissioner of Education, (12) direct the development of case-by-case interventions for addressing repeated incidents of bullying against a single individual or recurrently perpetrated bullying incidents by the same individual that may include both counseling and discipline, (13) prohibit discrimination and retaliation against an individual who reports or assists in the investigation of an act of bullying, (14) direct the development of student safety support plans for students against whom an act of bullying was directed that address safety measures the school will take to protect such students against further acts of bullying, (15) require the principal of a school, or the principal's designee, to notify the appropriate local law enforcement agency when such principal, or the

principal's designee, believes that any acts of bullying constitute criminal conduct, (16) prohibit bullying (A) on school grounds, at a school-sponsored or school-related activity, function or program whether on or off school grounds, at a school bus stop, on a school bus or other vehicle owned, leased or used by a local or regional board of education, or through the use of an electronic device or an electronic mobile device owned, leased or used by the local or regional board of education, and (B) outside of the school setting if such bullying (i) creates a hostile environment at school for the student against whom such bullying was directed, or (ii) infringes on the rights of the student against whom such bullying was directed at school, or (iii) substantially disrupts the education process or the orderly operation of a school, (17) require, at the beginning of each school year, each school to provide all school employees with a written or electronic copy of the school district's safe school climate plan, and (18) require that all school employees annually complete the training described in section 10-220a or section 10-222j. The notification required pursuant to subdivision (8) of this subsection and the invitation required pursuant to subdivision (9) of this subsection shall include a description of the response of school employees to such acts and any consequences that may result from the commission of further acts of bullying.

(c) Not later than September 1, 2014, each local and regional board of education that has not had a safe school climate plan, developed pursuant to this section, previously reviewed and approved by the Department of Education shall submit a safe school climate plan to the department for review and approval in accordance with the provisions of section 10-222p. Not later than thirty calendar days after approval by the department of such safe school climate plan, the board shall make such plan available on the board's and each individual school in the school district's Internet web site and ensure that such plan is included in the school district's publication of the rules, procedures and standards of conduct for schools and in all student handbooks.

(d) On and after July 1, 2012, and biennially thereafter, each local and regional board of education shall require each school in the district to complete an assessment using the school climate assessment instruments, including surveys, approved and disseminated by the Department of Education pursuant to section 10-222h. Each local and regional board of education shall collect the school climate assessments for each school in the district and submit such school climate assessments to the department.
