MISSION

To provide a world-class, unique and rigorous learning environment for our students that ensures both student academic success and career technical education mastery, as well as promotes enthusiasm for lifelong learning. To prepare students for post-secondary education including apprenticeships and immediate productive employment. Graduates will be able to demonstrate basic academic skills, specific occupational competencies and a strong work ethic as well as the knowledge, skills and attributes articulated in Connecticut's statewide educational goals for students.

COMMUNITY

Groton is a town located on the Thames River in New London County, Connecticut, United States with a population of approximately 40,001. Ella T. Grasso Technical High School is part of the State of Connecticut Technical High School system servicing Southeastern Connecticut students from the following towns: Colchester, East Lyme, Griswold, Groton, Ledyard, Lisbon, Lyme/Old Lyme, Montville, Mystic, New London, Norwich, Pawcatuck, Preston, Salem, Stonington, and Waterford

578 Total Students

WEIGHTING OF COURSES FOR GRADE POINT AVERAGE AND RANK IN CLASS

All credit earning courses are weighted for GPA and rank in class. These include all core academic courses (English, Mathematics, Science, Social Studies) including honors-level, CCP (College Career Pathways) courses, Career Technical Education course work, and elective coursework. Students are ranked on a 100 point - scale. *GPA calculations were based on Quarters 1 and 2 only for the 2019-20 School Year.*

Graduation Requirements

English	4 Credits
Social Studies (includes Civics)	3 Credits
