

Board Minutes December 7, 2020 Virtual 5p

Brittney H. has asked to be more involved in the PFO. She needs to be emailed.

Athletes updates will not happen until at least January 19th.

We have received \$10 from the CashApp, but we don't know who it is from.

Talk with the Treasurer, Gail, about our finances. We don't have a budget, and the question is why not?

Most money that is raised goes to the Graduation Fund. That fund is currently -\$538. We talked about the Senior money from last year. There were questions about the masks and lawn signs. Who paid for them? So where does the money go? 1 Senior from each Trade/Shop gets a \$100 scholarship. There's a sports banquet, with an Athlete of the Year. There's an Arts Dinner. We help with uniforms for those that need it.

Cary suggests budgeting \$1k for Graduation. An additional \$250 for Prom.

This ensued a discussion on Budgets and Networking.

Cary is asking teachers for donations of wrapping paper. She received \$5 from Mr. Barber.

Athletics are in the hole by \$85

In September there was a charge of \$57.40 at Bj's. October 3rd, there was another charge for Candy.

We want to zero out the Athletics account. Athletics Boosters are also overdrawn.

Close the Reading Garden. Put that money into Athletics, the rest into scholarships.

We need to make a motion to move funds.

Money was sent to Drafting for \$250. Was it ever spent?

No class reports going forward.

Fundraising; Scrap the basket fundraiser for December, it's too late to get the ball rolling. We will push dues, as that is what allows people to vote.
